

Curriculum Night Parent Bulletin

August 25, 2021

Tonight during study hall you can visit the counselors and the Learning Services Coordinator in Student Services, Room 200. The Haddix Academic Center is open tonight and is located on the second floor, near the middle of the school. You can also visit the quad for refreshments!

Maybe you've heard about **iBlock** – a designated time after school each day for our students to complete missing homework. There is great value in the homework that is assigned, therefore, if a student chooses not to do their homework, they will be assigned iBlock in order to make it up.

Progress Reports - are available online for parents September 7; this is a great time to check in on your daughter's academic progress.

Mr. Deibler, our technology director, is in the Haddix Academic Center this evening. Please see him if you have PowerSchool or technology questions.

PowerSchool Forms – If you need assistance with your forms, please come to student services and someone will assist you.

Parent/Teacher Conferences are from 4-6:30 p.m. on Wednesday, October 13, and 1:30-4 p.m. on Thursday, October 14. You will have the opportunity to meet with your daughter's teachers about her current academic progress. Please know that we encourage you to bring your daughter to conferences.

Parent Survey – Please scan this QR code to take a quick survey.

Please mark your calendars for your daughter's Class Retreat. All retreats are mandatory. The Freshman Retreat is November 12th and is overnight. The Sophomore retreat is during the school day on September 8th. Juniors meet in small groups on a Tuesday throughout the school year. Your daughter has received an email with her retreat date. Senior Retreat is March 18th, 2022 and is overnight.

Parents be sure to update your daughter's action plan if she has asthma, allergies or is diabetic. We need a copy of her plan at the beginning of each academic year.

Calendars - The journalism students are selling 2021-22 school calendars in the quad. For \$10, you can easily see all the important events of the school year in one quick space and display some awesome photos taken by journalism students. You can also purchase one in room 304 in between classes or during your daughter's study hall. If you want one and don't have the money with you, please tell your daughter to pick one up for you tomorrow.

Dual Enrollment – Representatives from UNO, Nebraska Wesleyan, and Metro Community College will be in the quad and able to answer any questions about dual enrollment at Marian with their respective institutions. As a reminder, Marian offers 19 dual enrollment courses.

Renderings of the outdoor athletic conference will be displayed in the quad, come check out our exciting future facilities!

On your way out tonight, you'll be able to pick-up two Marian yard signs to display your Crusader spirit!
