FOR GREAT WOMEN.**

## **ABOUT US**

As a subsidiary of the Miss America Organization, the Miss Omaha & Miss Douglas County Scholarship Program hosts an annual day-long competition in August where two young ladies are selected as the new Miss Omaha and Miss Douglas County and two teens are selected as the new Miss Omaha OT and Miss Douglas County OT.\*

These young women are awarded a scholarship and prize package and advance to compete at the Miss Nebraska competition in June.

As titleholders of the Miss Omaha & Miss Douglas County Scholarship Program, these young women serve as ambassadors for the organization and utilize their platform to promote their social impact initiative. The titleholders will also benefit from customized preparation from our dedicated board of volunteers as they prepare for the state competition.

\*We are a subsidiary of the Miss Nebraska Scholarship Program and Miss America Organization and follow the rules, regulations and guidelines set forth therein.
